

HEY DAD...

you matter.

With your ongoing involvement, your child will...

...be more likely to live to their first birthday

...have better physical health

...do better in school and career

...be less likely to abuse alcohol and drugs

...be less likely to go to prison

...be wealthier

JOIN THE
Fatherhood Mentoring Program

We can all benefit from a more experienced hand to help guide us. Fathers, we want to help you on this very important journey by matching you with an experienced father to be your guide. Our services are completely free, confidential and open to all dads desiring extra encouragement. Our program is broken down into three areas – **Pregnancy, Fatherhood** and **Relationship** – and lasts between 5 - 13 weeks, or longer if desired.

You are crucial to the wellbeing of your child. We are here to help you. Contact us for more information or to sign up.
